

# Practicum Work for the Consultants Course

You have six months from the final Consultants Programme class to complete your Practicum:

1. Organise and run the 3 day **Thinking Partnership Programme** for 2–4 students.
2. Organise and run the 1.5 day **Mentoring Process** for two or more different students.  
Read and demonstrate understanding of the **Mentoring Programme** to your supervisor.
3. Organise and run the one day **Diversity Programme** for two or more different students.
4. Maintain **twice-weekly Thinking Partnership sessions** outside of the four classes, using a minimum of three of these sessions as Mentoring sessions, and report on your progress.
5. Write a **learning journey essay**, reviewing your learning since first experiencing the Thinking Environment up to the present.
6. **Re-read *More Time To Think*** and **one other relevant source** to be agreed.
