

**TIME TO THINK**

**THE THINKING ENVIRONMENT® SUPERVISION**

# Supervision Qualification Course

## **TWO-DAY COURSE AND PRACTICUM**

### **PRACTICUM:**

Practise the Supervision Process once with three different people.  
Practise Group Supervision process twice with a group of at least three people plus yourself.  
Discuss your experience of the above with your Practicum Faculty.

### Interview

Interview a Time To Think Coach, who is also a professional supervisor on these questions:

- *When do you use the Time to Think Supervision Process as a supervisor?*
- *When do you not, and why?*
- *What other supervision processes do you use?*

Discuss your notes with your Practicum Faculty.

### Thinking Sessions

During the Practicum period maintain twice weekly the practice of having Thinking Sessions that encompass the explicit building of Incisive Questions.
